Good morning Maria,  
What week off? It was just a crazy week but I was here with the exception of Wednesday (flex day).  
That was funny though. It would be nice especially on a day like today with all this rain. I'll make the additions.

Have a great day!

Good Morning Maria,

I don't know what she signed because the only thing she needed to do at our table was place the date she was admitted to the State Bar which was November 13. The admission application was signed when we received it. There was no other process than to hand her the certificate. More than half the attendees did not have bar numbers.

Since I was working A-L and did not see what could have occurred in the line reserved for people with last names beginning with M-Z, I will go ahead and send her the certificate based on this email message. My apologies for the error.

BTW, I was not in the office yesterday when you originally sent this message.

Ms. Trull did attend the event on November 13<sup>th</sup>, she mentioned she stop by your table and signed a form, but was told she was not allowed to continue the process since she did not have a bar number at the event.

Did she sign anything at the event?
