Subject: Your letter concerning admission to practice in the Court of Appeals of Georgia

Dear Mr. Hart:

I will return your application and check to you tomorrow. Unfortunately, the Court requires that you present yourself with your application for admission. If you reside within the state, you are not permitted to take the oath in absentia. I know this is inconvenient for attorneys who live in the southern part of the state, but that is the Court policy. You also must complete the application for admission which is on our Court web page at: www.gaappeals.us .

When you have the opportunity to be in Atlanta, please come by with your admission application and check and we will swear you in. Although we usually only do this on oral argument calendar days or in the Clerk's office from 8:30 to noon on Tuesdays and Thursdays, we will do it for your convenience if you let us know at least a couple of days in advance of the time and date you will be here.
