Holly Sparrow - Re: Reciprocity Case for A11A1613

From: Holly Sparrow
To: Ann Kelley
Date: 6/20/2011 10:19 AM
Subject: Re: Reciprocity Case for A11A1613

Ann,

Thank you for your help; Tuesday or Wednesday will be fine.

The IOM states that a case for reciprocity will be given to the Clerk's office within 24 hours of the notice of the original transfer. I realize this may be difficult for the chambers to do and have not insisted this be done. On the other hand, it is difficult for the Clerk's office to keep up with the transfers and make sure everything is appropriately handled if the reciprocity is not dealt with within a relatively short period.

Holly

>>> Ann Kelley 6/20/2011 10:17 AM >>>

I had planned to do this later this week. Did not think there was any big rush since this is a sept term case (or at least that was my recollection--it is downstairs in my in box so I don't have it in front of me) and we are still docketing to that month. I wanted to take the time to look at the case that was transferred to us so I could try and make it an even swap, so that is why we were taking our time.

I have a full plate today, but will try and do it tues or wed.

Ann

Hi Ann:

A11A1613 was transferred to Judge Adams from Judge Mikell. I would like to obtain the reciprocity case sometime Monday or Tuesday if possible.

LaVerne suggested you may be the one to contact about this.

A11A2258. Richard Keith Wilder v. The State

Date: August 8, 2011

A11A2223 was docketed on July 27, 2011 and assigned to Judge Doyle of the Third Division. A11A2258 was docketed on August 4, 2011 and assigned to Presiding Judge Barnes of the Second Division. These cases are related and should be decided by the same panel. However, because the cases do not have the same lower court case numbers, the system did not automatically relate these cases.

Since the two cases are both pending and companions, the clerk's office will transfer A11A2258 to Judge Doyle. Once this is done, the docket assignment system will automatically balance out the case assignments with the next cases assigned so that both judges will have the same number of assignments as all the rest of the judges.

Holly Sparrow - Judge Transfer for Purposes of Voting

7/15/2010

From: Holly Sparrow
To: Patty Bender
Subject: Judge Transfer for Purposes of Voting
CC: Bill Martin

Patty,

We reached the point where only Judge Blackburn and Judge Bernes have not been chosen for voting purposes. Bill has put all twelve pills for all 12 judges back in the voting "jug". Therefore, if Judge Blackburn (#3) or Judge Bernes (#11) are chosen, do not put them in the "culled" jug. Instead, put them back in the vote jug. In that manner they should get chosen twice before we go through the remaining judges again.

I plan to put a copy of this email in the front of the transfer form book so we will see it, and you may want to keep a copy for your reminder.
