

Court of Appeals of the State of Georgia

ATLANTA,

The Court of Appeals hereby passes the following order:

**A02D0030. REX ROAD PARTNERS v. CLAYTON COUNTY
BOARD OF TAX ASSESSORS**

The above application was docketed as a discretionary application on August 28, 2001. The application was docketed as a discretionary application based upon the denomination of the attorney for the applicant that the application was in fact an application for discretionary appeal.

Upon review of the body of the application, the Court finds that contrary to the assertions of applicant's attorney, the application is in fact an interlocutory application under OCGA §5-6-34(b), and that the trial court has included the Certificate of Immediate Review within the body of the order that is being appealed, a procedure that is not in violation of the Code Section, but is certainly rare.

It appearing that discretionary application A02D0030 was incorrectly filed, it is hereby ordered that said application be and is changed to interlocutory application A02I0032, and the clerk of this Court shall docket it as such.
