

COURT OF APPEALS OF GEORGIA

RETURN NOTICE

SCANNED

May 21, 2015

To: Ms. Theresa D. Brown-Doonquah, Post Office Box 46064, Rio Rancho, New Mexico 87174

Case Number: _____ Lower Court: _____ County Superior Court

Court of Appeals Case Number and Style: _____

Your document(s) is (are) being returned for the following reason(s).

- There is no case pending in the Court of Appeals of Georgia under your name.
- A Notice of Appeal is filed with the clerk of the trial court and not with the Court of Appeals of Georgia. See OCGA §5-6-37. Once the trial court clerk has received and filed the Notice of Appeal, the trial court clerk will prepare a copy of the record and transcripts as designated by the Notice of Appeal and transmit them to this Court. Once the Notice of Appeal is docketed in the Court of Appeals of Georgia, a Docketing Notice with the Briefing Schedule and other important information is mailed to counsel for the parties or directly to the parties, if the parties are representing themselves. You do not need to provide this Court with a copy of the Notice of Appeal you filed with the superior court.
- The Notice of Appeal must include a proper Certificate of Service. A Certificate of Service must show service to the opposing counsel and contain the counsel's full name and complete mailing address. The opposing counsel must actually be served with a copy of your filing.
- An Application for Writ of Habeas Corpus should be filed in the superior court of the county in which you claim you are illegally detained. An appeal from a denial of an Application for Writ of Habeas Corpus is to the Supreme Court and not the Court of Appeals.
- An Application for Writ of Mandamus should be filed in the superior court of the county official whose conduct you intend to mandate. An appeal from a denial of an Application for Writ of Mandamus is to the Supreme Court and not the Court of Appeals.
- Your appeal was disposed by opinion (order) on _____. The Court of Appeals _____ . The remittitur issued on _____ divesting this Court of jurisdiction. The case decision is therefore final.
- Your mailing/documents indicate that you intended to file your papers in another court rather than the Court of Appeals of Georgia. The address of the Clerk of the _____ is: _____
- If an attorney has been appointed for you and you are concerned with the representation provided by that attorney, you should address that issue to the trial court. As long as you are represented by an attorney, you cannot file pleadings on your own behalf. Your attorney must file a Motion to Withdraw as Counsel and it must be granted, before you can file your own pleadings in this Court.
- A request for an out-of-time appeal should be made to the trial court from which you are appealing. If your motion is denied by the trial court, you can file an appeal of that decision by filing a Notice of Appeal with the clerk of the superior court.

Re: Ms. Theresa Brown-Doonquah complaint

Dear Mr. Lane:

I have again reviewed the file in Mr. Brown-Doonquah's case.

It appears that Ms. Brown-Doonquah attempted to file an appeal some three (3) years after judgment was entered.

The appeal was dismissed as untimely.

I had no notice of any of this.

On November 4, 2013, Ms. Brown-Doonquah filed a "Motion for the Order Granting Defendant's Motion for Summary Judgment Entered January 12, 2010 Be Set Aside And Re-Entered."

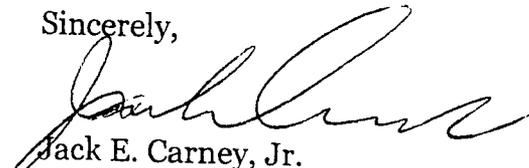

Unfortunately, she did not provide me with a copy of the motion, nor take any steps to bring it on for a hearing.

I guess it is easier to file a J.Q.C. complaint than to request a hearing.

Now that I am aware of the motion, I have set it down for a hearing on April 16, 2015.
(To give Ms. Brown-Doonquah time to make travel arrangements)

If you have further questions, please contact me.

Sincerely,

Jack E. Carney, Jr.

RE: Theresa D. Brown-Doonquah vs. Royal
Bros. Construction, LLC
Bryan County State Court
Civil Action No.: 2009-SV-059

Dear Dr. Doonquah:

I attended the hearing on your Motion to Set Aside Defendant's Motion for Summary Judgment on Thursday, April 16th, at the State Court of Bryan County. We did not incur the expense of obtaining a transcript of the hearing though we can do that at this time depending on your desires. The transcript will be of particular importance if you intend to appeal the judge's ruling which, incidentally, he indicated would affirm his original Order granting defendant's Motion for Summary Judgment.

According to the Judge, you erroneously undertook to represent yourself not knowing the intricacies of the law and failed to satisfy the conditions precedent to your bringing the action. Further, according to him, it would be a hardship and blatantly unfair to the defendant to allow you to "have another bite at the apple." Consequently, he was letting the original Order stand.

Your options at this point are to accede to the Court's ruling or appeal it within the thirty (30) day window. There are, however, a lot of considerations in the decision to make the time and monetary investment to appeal. I will be happy to speak with you regarding your decision.

Yours truly,

Lorenzo C. Merritt

File No. 2009SV-059

ORDER

Plaintiff has filed a Motion for the Order granting Defendants' Motion for Summary Judgment reduced to writing January 12, 2010, Be Set Aside and Re-Entered. After argument of counsel on the record, citation of authority and a review of the entire record in the case, the Court finds as follows:

In the presence of counsel, on December 17, 2009, this Court granted Defendants' Motion for Summary Judgment in open court, but left the record open until the end of 2009 for Plaintiff to file any evidence that she had complied with an agreed condition precedent in the January 19, 2008, Settlement Agreement she executed while represented by counsel. Plaintiff did not file anything with this Court by the end of 2009. Therefore, on January 12, 2010, this Court reduced the summary judgment to writing and served counsel for both parties.

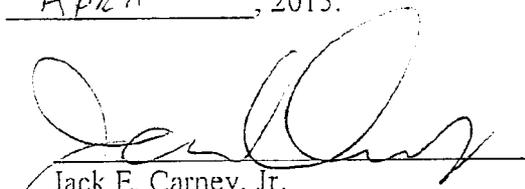

On January 13, 2010, counsel for Plaintiff mailed documents to the Court, but these documents were dated after Plaintiff filed this action and did not satisfy the condition precedent in the Settlement Agreement executed by Plaintiff. During argument of this motion on April

16, 2015, counsel for Plaintiff conceded that the materials filed were dated after this action was filed.

The Court concludes that Plaintiff's counsel received notice of the summary judgment in this action on December 17, 2009. Plaintiff did not supplement the record with anything which created a genuine dispute as to any material issue of fact or law in this action or which supported withdrawal of the Court's December 17, 2009, summary judgment announced from the bench.

The Court denies Plaintiff's Motion to Set Aside and Re-Enter Summary Judgment.

SO ORDERED, this 28th day of April, 2015.

Dear Judge Carney:

We request the Court sign the Abbreviated Order submitted by Mr. Skelton as it more accurately reflects the status of this file. Of course, needless to say, plaintiff has some issues with the grant of judgment, but this can be pursued in another forum.

We are enclosing a copy of the Abbreviated Order. Thank you kindly.
