- ☒ **There is no case pending in the Court of Appeals of Georgia under your name.**
- ☐ **A Notice of Appeal is filed with the clerk of the trial court and not with the Court of Appeals of Georgia. See OCGA §5-6-37.** Once the trial court clerk has received and filed the Notice of Appeal, the trial court clerk will prepare a copy of the record and transcripts as designated by the Notice of Appeal and transmit them to this Court. Once the Notice of Appeal is docketed in the Court of Appeals of Georgia, a Docketing Notice with the Briefing Schedule and other important information is mailed to counsel for the parties or directly to the parties, if the parties are representing themselves. You do not need to provide this Court with a copy of the Notice of Appeal you filed with the superior court.
- ☐ **The Notice of Appeal must include a proper Certificate of Service.** A Certificate of Service must show service to the opposing counsel and contain the counsel's full name and complete mailing address. The opposing counsel must actually be served with a copy of your filing.

- ☐ **If an attorney has been appointed for you and you are concerned with the representation provided by that attorney, you should address that issue to the trial court.** As long as you are represented by an attorney, you cannot file pleadings on your own behalf. Your attorney must file a Motion to Withdraw as Counsel and it must be granted, before you can file your own pleadings in this Court.
- ☐ **A request for an out-of-time appeal should be made to the trial court from which you are appealing.** If your motion is denied by the trial court, you can file an appeal of that decision by filing a Notice of Appeal with the clerk of the superior court.
