

5-27-15

Clerk of Court of Appeals.

I am writing to ask the Court to extend the time in which I have to submit my request for Sentence modifications to be post marked no later than June 5 2015. I am physically handicapped, housed in the infirmary at Coastal State Prison and subjected to the limitations of prison mail room as well as law library. I humbly plead that you overlook my being out of time due to the fact that I am not in the best of health and prison mail moves slowly. I will proceed as if you granted me the extension and have it out to you no later than June 5 2015. Thank you for your patience.
