Jail & County

State Sentences
Call #

July 8-15-15 P

Emergency motion for Injunction
to Restrain State of Georgia Law Enforcement
agencies from ever taking me back into State
of Georgia prison system (Georgia Jail for my
past offense, (since I'm now in Texas) and I'm
not an escapee, and State of Georgia allowed me
to leave their Jurisdiction for postmark trial

motion envelope proves I'm in Texas at Federal
Detention center, with out any federal conviction, no
federal warrant to summon me, no extradition order
sent me here, I'm not here for court I had no rights
over my own life except a psychological evaluation
Georgia has did not ~~allow~~ me sent to Texas using a state order
that was their own ~~and~~ no extradition hearing was held on me
The Texas federal psychologist that I had Sept
to finish evaluating me, then 2 weeks to write
her report, but she already told me she's gonna
find me incompetent to stand trial in Georgia
federal case, so how Am I legally gonna be in Georgia
state prison as a incompetent person

since will not admit Georgia never did pre-trial
psychological evaluation on me prior to trial
despite this being my 3rd time since 1993 being
found incompetent, so will not attorney on appeal
was the best for not telling you about it, this
is new evidence to you all again

suppose vacate sentences in Georgia

I don't have any address to provide for my
2016 parole date on July 14th will keep so that not being
telling me it's not fair
