I need to request a copy of the official rules of the Georgia court of Appeals. I need to also request, if available to you the uniform rules of Superior court. I wrote Mrs. Barbara H. Person / Clerk of Superior courts of Floyd county; and she said she did not have access to the requested rules. If you do not have access either, could you please tell me who to contact for a copy of them? I also need the courts assistance in obtaining case cites for ineffective assistance of counsel. I know you are ~~not~~ bound not to give legal advice, I only need copy(s) of relevant case cites. Thank you in advance for any assistance you may be able to lend.

Respectfully,

David Lee Lucklear
