Last Update: October 21, 2014

resent 1/11/15

In the motion to compel Fla. 2
sent that motion to a Fla lawyer named to
file for me in court and for you to compel
them the CA Court of Appeals.

So that court can answer that motion on
an emergency basis. So that is the correct
Certificate of service since Public Defender was
the filing party to whom I want this court to
compel him & only the court Fla to answer

The last motion is an Exhibit only don't need
a cert of service but was attached when I mailed the
original to this court

I thank you

ORDER

The above Defendant has mailed to this Court a document entitled "Emergency Permanate (sic) Injunction/ O.C.G.A. 17-9-4, Rule 33.10." It is styled "Edward Tyrone Ridley v. Brian Owens, Commissioner of the Georgia Department of Corrections."

To the extent that this is intended to be a civil action, the Clerk of Crisp Superior Court is hereby directed pursuant to O.C.G.A. § 9-15-2(d) not to file the above-styled action in this Court inasmuch as this Court finds that the pleading shows on its face such a complete absence of any justiciable issue of law or fact that it cannot reasonably be believed that the Court could grant any relief against any party named in the pleading.

This pleading was not accompanied by the appropriate filing fee or indigency affidavit and is not proper for filing in any event as a civil action.

To the extent that this pleading is intended to be a Motion in the above criminal action, which is what the body of the document seems to imply, the

EMERGENCY NOTICE OF APPEAL

Petitioner, hereby notify the Clerk of Court that he wishes to appeal the denial of his Emergency Permanent Injunction /17-9-4, Rule 33.10 filed by Clerk on October 9, 2014 denied by Judge Hughes on October 31st 2014, pursuant to the rules of Appellate Procedure. The Court Amended this motion from Civil to Criminal on its denial and ruling under case no. 13R-149.

ERROR ON APPEAL

- (1) There is no need now for indigent affidavit for filing civil actions since Judge Hughes denied under criminal case no. 13R-149 on 10/31/14.
- (2) As stated in no. 10 of the motion, the Court did not have jurisdiction to convict Ridley of his 1995 case, case no. 95-2844 as to his Florida sentence on 7/29/96. where Ridley was not required to 42-1-12. Then or in any future actions according to Ridley's understanding of his 7/29/96 contract.
- (3) Ridley never was warned by Florida Court, DA., nobody to be placed on FLA, S.O. Registry without due process around 2003 as a violent, S.P., C.M., C.S.O., made his case with affects of the scarlet letter, and to kill of a marking bird.
- (4) Congress in 2006, did away with all state S.O. registries.
