Dear Mr. Smith:

I am responding to the letters you sent to various judges on the Court of Appeals. Our Court rules prohibit direct communications with our Court during the time your case is before the Court. Also, since you are represented by an attorney, all communications with our Court must be through your attorney. I am returning your letters to you.

Sincerely,

Stephen E. Castlen

Steve Castlen - Ms Thompson Letter

From: Steve Castlen
To: Lola Diamond
Subject: Ms Thompson Letter

Ms. Thompson,

I am responding to the letters you sent to various judges on the Court of Appeals, i.e., Judges Doyle, Barnes, Miller, Phipps, and McMillian. Our Court rules prohibit direct communications with our Court during the time your case is before the Court. Also, since you are represented by an attorney, all communications with our Court must be through your attorney.

Lola: I scanned all the letter in one batch.

LEWIS & CLARK COUNTY CLERK
COURT OF APPEALS OF GA

July 17, 2015
Friday

I'm written you because my case is in front of this Court. (A15A1664) I just want you to no a little about why I deserve a New trial. (First) of all the juror JALISA Thompson was excluded from my trial because she is on my face book page. The state say that Ms. Thompson is a friend, but the face book page say Add friend, Not that she is a friend. if Ms. Thompson was a friend there would be some type of communication between us as you can see there is none. (Second) The state New that the two blacks was the reason the jury was hung 10-2 and by getting rid of Ms. Thompson they was sure to get a guilty verdict, because the alternate was white (Three) After the judge excluded the juror Ms. Thompson and

replaced her with the Alternate
I was found Guilty. It took
Eight minutes for the Judge
to put the Alternate in place
and for the jury to go into
the jury room, for them to
sit down and deliberate. That
wasn't enough time for them to
deliberate, they already had their
minds made up. All I'm
asking for is a fair trial.

Sincerely, Yours
Luis Smith
