Hello,

My name is Floyd Youngblood and my Appeal was denied. Now that everyone there seems to think that someone is automatically guilty of the crime(s) that they have been charged with let me ask you a few questions and see if you can give me some answers.

To start with I was charged with the crimes of Rape, Aggravated sodomy and giving a false statement.

1.) Now how could they send me to prison when the so called victim of this case did not ID ME as the one who committed the so called crime of Rape?

2.) Would this not fall under the Identification Burden of Proff Act?

Which states: If the Defendant is not Identified, it is the Jurys duty to acquit the accused.

Note: This case may have been dismissed if the Jury had heard Rose Gilman's statement (But she made her statement outside the presence of the jury.) The Jury never got to hear Rose Gilman's statement.

So if you do not believe what I am saying you may contact Sergeant Kerry Paige with the Whitfield County Sheriffs Department because he

Was in the courtroom during my trial.

You may even contact my first Trial Attorney
Jerry Wayne Mancus. He can verify my story as well.

Sincerely,
Floyd Youngblood
