RE: Your Case Numbers: 05CR132
Calvin Lee Gassett v. The State

Dear Ms. Bryant:

Enclosed please find the record in the above appeal which forwarded from your office to ours. Please be advised that we are unable to docket the appeal because in paragraph 5 of the Notice of Appeal the appellant indicates that a trial transcript and one or more transcripts of hearings will be filed for inclusion in the record on appeal. No transcripts accompanied this record and it is therefore premature.

When the court reporter files with your office the transcript or transcripts in this appeal, please forward them to this office with your certification along with the record. If, in fact, there are no transcripts in this matter, when the appellant files an amended Notice of Appeal to reflect that fact, please return the record to this office for docketing.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

NOTICE OF APPEAL

COME NOW Davis, Matthews & Quigley, P.C., Appellant, by and through its attorneys of record, Davis, Matthews & Quigley, P.C., and Ron L. Quigley, Esq., 3400 Peachtree Road, N.E., 14th Floor, Atlanta, Georgia 30326, within the time provided by law, and files this Notice of Appeal.

1. This is an appeal to the Georgia Court of Appeals. The Court of Appeals, rather than the Supreme Court, has jurisdiction of this case on appeal pursuant to Article VI, Section 5, Paragraph 3 of the Georgia Constitution for the reason that this case is not one of those classes of cases vested in the exclusive jurisdiction of the Supreme Court pursuant to Article VI, Section 6, Paragraph 3 of the Georgia Constitution.

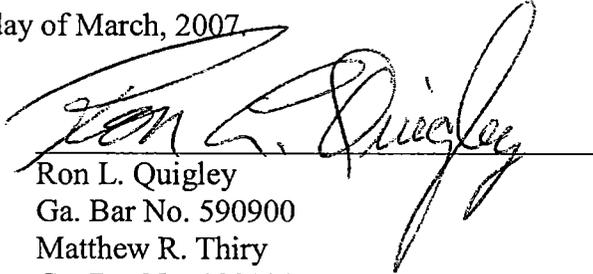

2. Davis, Matthews, & Quigley, P.C. shows that the summary judgment motions of Methodist Financing, L.L.C. and of Jonathan Tovani and Mary Tovani were granted by the trial court's order, entered on March 23, 2007.

3. To the extent necessary to preserve all issues for appeal, Davis, Matthews, & Quigley, P.C. further states that it appeals from every aspect of the trial court's Order Granting the Summary Judgment Motions of Methodist Financing, L.L.C. and of Jonathan Tovani and Mary Tovani, entered March 23, 2007.

4. Nothing shall be omitted from the record on appeal.

5. The complete transcript of the oral argument on August 29, 2006, will be filed for inclusion in the record on appeal.

Enclosed please find the record in the above appeal which is forwarded from your office to ours. Please be advised that we are returning this record to you because it does not contain a stamped filed copy of the Sentence nor is there an order denying the Motion for New Trial.

The Court must have a stamped filed copy of the Sentence in order to determine that the Motion for New Trial is timely filed. Likewise, if the Motion for New Trial is granted, it may obviate the need for the appeal.

Before we can docket the appeal it must be securely bound by you. We suggest roundhead fasteners or ACCO clamps. At any rate, it must be bound at the top securely by you. Pressure clamps will not suffice since they may come off and the record may become lost or out of order.

When you return the record, please make sure that the Notice of Appeal is the first document following the Index of the record.

I apologize for any inconvenience this may have caused you. If you have any questions or if I may be of assistance to you, please do not hesitate to contact me.

Dear Mr. Harper:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket the appeal because the order appealed from is not clearly stamped filed. In fact, the judge's signature indicates the order was signed on October 4, 2006, and it appears from the stamp on the order that it was filed with your office on March 6, 2006. Obviously, the order could not have been filed before it was signed.

When you have a corrected, if necessary, and clearly stamped order in the record, please return it to this office for docketing.

Dear Mr. Stephenson:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because it contains two Notices of Appeal, one of which is directed to the Supreme Court of Georgia and one which is directed to the Court of Appeals.

Since this appears to be an appeal from a divorce case, the appellate jurisdiction would be to the Supreme Court of Georgia, not the Court of Appeals. However, I believe this is a domestic relations case, the direct appeal would have to be preceded by Application for Discretionary Appeal, which may be case in this matter.

At any rate, I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of further assistance to you, please do not hesitate to contact me.

GUIDE TO TRANSMITTING RECORDS TO THE COURT OF APPEALS FOR TRIAL COURT CLERKS

The Clerk's Office of the Court of Appeals of Georgia would appreciate the assistance of the trial court clerks in preparing records for docketing in our Court. Following these guidelines will ensure that the records and transcripts you transmit to the Court of Appeals will be properly docketed on a timely basis. We hope this information will help us avoid returning records and transcripts to your offices and prevent you from having to do unnecessary tasks. If you have any questions, at any time, feel free to call Sheila Collins at (404) 657-8353. She will be happy to assist you.

PREPARING THE RECORD FOR TRANSMISSION

1. Create an Index with page numbers. As well as listing all documents, it is very helpful if you place the date of the order or motion next to all order and motion titles.
2. The Notice of Appeal should be on 8 ½ x 11 inch paper, signed by the attorney or pro se party and include their name (typed or printed legibly) and address. Attorneys bar numbers should be placed below their names or within the address. Make sure that the Notice of Appeal has a legible stamped filed date and has a proper Certificate of Service showing the full name and mailing address of the opposing counsel. We cannot accept a general rubber stamp as a proper Certificate of Service.

The Notice of Appeal when prepared by the attorney or pro se party should state to which court they are appealing, the Court of Appeals or the Supreme Court; the order(s) they are appealing from and any documents which they wish to be included in the record. A clear statement that transcripts **ARE** or **ARE NOT** to be transmitted must be included.

3. If there are any pro se parties, either appellant or appellees, the full name and address of the pro se parties should be on the Notice of Appeal and/or the Certificate of Service.
4. In addition to the Notice of Appeal, all orders, motions and sentences **MUST** have a legible stamped filed date.
5. The record **MUST** include the order or orders being appealed. Civil cases must include the complaint and answer. Criminal cases **MUST** include the charge and sentence. If a Motion for New Trial was filed, that motion and the order disposing of the Motion for New Trial must be included in the record.
6. The judge's signature on all documents must be legible. If the signature is difficult to read, please print or type the name below the signature or put a sticky note with the judge's name.
7. Again, make sure the stamped filed date is legible on all documents.

If a transcript or transcripts are to be filed for inclusion with the record on appeal, do not send the record until all transcripts have been filed in your office.

8. All records must be attached to a record back and contain a Clerk's Certificate. Each individual Notice of Appeal must be in its own back. An amended Notice of Appeal should precede the original Notice of Appeal. If there are companion or cross appeals, these must each be attached to a separate record back. **DO NOT PUT A MAIN APPEAL, CROSS APPEAL AND/OR COMPANION NOTICE OF APPEAL IN THE SAME RECORD BACK.** Even though each main appeal, cross appeal and companion appeal must be separately bound, the Court of Appeals only need one complete record.
9. If a Notice of Appeal is being transmitted pursuant to an order of the Court of Appeals granting either an application for discretionary or interlocutory appeal, a copy of this Court's order granting the right to appeal **MUST** be included in the record. The Court of Appeals order should be placed directly behind the Notice of Appeal.
10. In cases in which a party is indigent (or pauper), please include the Pauper's Affidavit, Affidavit of Indigency or the order appointing counsel and include this document on the Index.
11. If any of the following motions are pending after the filing of the Notice of Appeal, the record should be held in the trial court clerk's office until an order thereon has been entered.

Motion to Dismiss
Motion for Judgment Notwithstanding the Verdict
Motion for New Trial
Motion for Appointment of Counsel
Motion In Arrest of Judgment

12. Records being transmitted to the Court of Appeals **MUST** be bound at the top. They can be stapled, or if thick, should be two-hole punched and bound with either brass brads or ACCO fasteners. **PLEASE DO NOT PUT TAPE ON THE BACKS OF RECORDS OR TRANSCRIPTS OVER THE BRADS OR ACCO FASTENERS.**
13. If records or transcripts are more than three inches thick they should be arranged in volumes so that no section will exceed three inches. Each part must be certified.
14. If video or audiotapes are requested to be transmitted in the Notice of Appeal, it is preferable to send copies rather than the original. They should be well marked with the style and lower court case number. Again, they require your certification.

15. Do not transmit any physical evidence that is of a dangerous nature, i.e., guns, knives, alcoholic beverages, etc. **DO NOT SEND ANY CONTRABAND ITEMS.** If this Court desires such items, you will receive an order requesting they be sent.
16. Be sure before sending the record that it is being sent or delivered to the appropriate appellate court, the Court of Appeals or the Supreme Court.
17. Pages of the record should be numbered in the center bottom of record pages. The record pages should be numbered consecutively. That is, do not start each part of the record with Page 1.

PLEASE NOTE: It is important to impress upon pro se parties that the Notice of Appeal must be signed and include the pro se's address and telephone number and a proper Certificate of Service.

Attorneys must sign (not by express permission) the Notice of Appeal and show their address, telephone number, bar number and provide a proper Certificate of Service. A proper Certificate of Service must show the full name and mailing address of opposing attorney or pro se party. This is extremely important since the Docketing Notices the Court of Appeals sends to the attorney or parties will be sent to the names and mailing addresses as they appear on the Notice of Appeal and Certificate of Service.

It is also very important that the orders being appealed are date stamped filed in your office since the Court of Appeals does not use the date the trial court judge signs an order or sentence, but uses the stamped filed date the lower court clerk's office files in (enters) the document to determine if the appeal is timely.

Please impress upon judges and attorneys that the Court of Appeals **CANNOT ACCEPT ORAL MOTIONS OR ORDERS. ALL ORDERS MUST BE REDUCED TO WRITING AND FILED WITH THE CLERK.** It is not sufficient that the transcript contains the judge's order.

PREFERRED ORDER OF DOCUMENTS AND INDEX

1. The Index showing each and every document contained in the record with page numbers should include:
2. Notice of Appeal.
3. Certificate of Service for the Notice of Appeal.
4. Order(s) granting, denying or dismissing any Applications for Discretionary or Interlocutory Appeals.
5. Pauper's Affidavit, Affidavit of Indigency or Order Appointing Counsel.
6. Complaint, answer and other items in the record arranged in chronological order and pages numbered.
7. Clerk's Certificate signed, dated and sealed.
8. Transcript(s), if requested, in the Notice of Appeal. The transcript should be page numbered by the court reporter and include the court reporter's certificate and the clerk's certificate. (Transcripts are not a part of the record, however, the lower court clerk may list them separately on the Index.)
9. Depositions that are requested but not in the record.
10. Audio or videotapes which have been requested in the Notice of Appeal.

We hope this information will be useful to you. We greatly appreciate your assistance and cooperation in preparing and transmitting the Notice of Appeal and record to our Court. If we can be of any further assistance to you, **please call.**

It is requested that the above-mentioned appeal be returned back to the Fulton County Appeals Division. This request is being made due to a consent order that was signed on January 9, 2007 {reference enclosure}. Unfortunately, this consent order was not brought to the attention of the Appeals Division before the record was submitted. As a result, the appellate record was erroneously submitted to the Court of Appeals of Georgia.

If you have any questions, please contact me at angela.berghult@FultonCountyGa.gov {**preferred method** due to the high volume of appeal cases on which I am working} or you can call me at (404) 730-5061.

Dear Mr. Harper:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. We are unable to docket this appeal because there is no order denying the Motion for New Trial. When the trial court enters an order denying the Motion for New Trial, please attach that to the record and send it to this office for docketing. Obviously, should the trial court grant the Motion for New Trial, it may obviate the need for an appeal.

Pursuant to the attorneys, there are additional transcripts to be filed for inclusion with the record in this appeal. Please make sure that when the trial court files an order with you denying the Motion for New Trial, that all transcripts accompany the record before it is sent to this office for docketing.

RE: Your Case Number: 192875-01
In the Interest of: H.M., a Child

Dear Ms. Daniels:

Enclosed please find the record in the above which was forwarded from your office to ours. Please be advised we are unable to docket this appeal because the Notice of Appeal does not state the complete name and mailing address of the opposing party. Without such, we are unable to send out Docketing Notices. If we cannot send out Docketing Notices, we cannot receive the record for docketing.

Additionally, I am concerned about the signature on the Notice of Appeal. It appears that the signature is not that of Curtis Miller but that of someone signing for Mr. Miller.

When an amended Notice of Appeal is filed to indicate the complete name and mailing address of the opposing party, and a properly signed Notice of Appeal is attached, if appropriate, please return the record to this office for docketing.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

DEFENDANT'S NOTICE OF APPEAL

Comes now Defendant ATLANTIC INSURANCE BROKERS, LLC ("Atlantic Insurance"), by and through its undersigned counsel, and submits this notice pursuant to O.C.G.A. § 5-6-37 that Defendant appeals to the Georgia Court of Appeals from this Court's November 30, 2006 Order denying Defendant's motion for summary judgment on Plaintiff's claims, and granting Plaintiffs' motion for summary judgment on the same.

NOTICE OF APPEAL

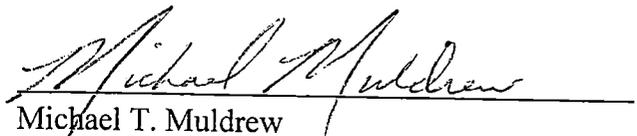

Notice is hereby given that the State hereby appeals to the Supreme Court of Georgia from the Order entered on October 17, 2006, which Order prohibits the State from using the Defendant's prior convictions to impeach his trial testimony, which Order is attached as Exhibit "A".

Charles Harper v. Ron Wiley, Warden, et al.

Dear Ms. Hicks:

I am in receipt of the record in the above appeal which was forwarded from your office to the Court of Appeals of Georgia. Please be advised that we are unable to docket this appeal.

The notice of appeal indicates the case shall be transferred to the Court of Appeals of the Superior Court of Fulton County. This Court can only receive an appeal which states that it is to be appealed to the Court of Appeals of Georgia.

It appears the subject matter of this appeal is from the denial of an application for writ of habeas corpus. The Supreme Court of Georgia, not the Court of Appeals of Georgia, has appellate jurisdiction over habeas corpus matters.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

RE: Your Case Number: 2005CV101454
Roger David Whitley v. Community Renewal and Redemption, LLC,
et al.

Dear Ms. Brewster:

Enclosed please find a record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because the Notice of Appeal does not contain a Certificate of Service showing the complete name and mailing address of opposing counsel. Without the complete name and mailing address of opposing counsel and/or parties, we do not know to whom to send the Docketing Notices and therefore are unable to docket the appeal. Additionally, the appellant must provide a complete name and mailing address after the appellant's name on the Notice of Appeal again in order to make sure the Court of Appeals has the correct address to which to send the appellant's Notice of Docketing.

Another reason we are unable to docket this appeal is the Notice of Appeal does not state that it is an appeal to the Court of Appeals of Georgia, but rather to the "Superior Court of Appeals or Supreme Court".

When the appellant files an amended Notice of Appeal to include the complete name and mailing address of opposing counsel or parties; the mailing of appellant and a proper Notice of Appeal, please return it to this office for docketing.

William B. Kimes v. Lakeisha Jones

Dear Ms. Carter:

I am in receipt of the record in the above appeal which was transmitted from your office to our office. Please be advised that we are unable to docket this appeal because the Notice of Appeal indicates the case is being appealed to the Superior Court of DeKalb County, not to the Court of Appeals of Georgia. When the appellant files an amended Notice of Appeal to reflect the fact that the appeal is to the Court of Appeals of Georgia, and not the Superior Court of DeKalb County, please return the record and accompanying transcript to this office for docketing.

Additionally, I am returning the record in the companion appeal 03-CV-6808-6. Lakeisha Jones v. William B. Kimes. The transcript which is being returned with Kimes v. Jones is necessary for the Court's consideration in Jones v. Kimes. Since these are related cases, both should be docketed at the same time.

RE: Your Case Number: 05CV12920
Kristin Brooke Van Horn v. James Robert Jones

Dear Ms. Page:

Enclosed please find the record in the above appeal which was forwarded from your office to the Supreme Court of Georgia. Thereafter, the Supreme Court of Georgia manually delivered the record to this office. By manually, I mean that it was brought without an accompanying order transferring same. As you can see, the Supreme Court of Georgia did not docket this record.

While the Notice of Appeal clearly states that the case is to be appealed to the Supreme Court of Georgia, and not the Court of Appeals, the Supreme Court has delivered it to this office. Since the Notice of Appeal indicates that it is an appeal to the Supreme Court of Georgia, not the Court of Appeals, this Court cannot docket the record.

The record contains an order from the Court of Appeals which states that a Discretionary Application was granted by the Court of Appeals. It may be that counsel for appellant intended to file this to the Court of Appeals, however, I do not know that for a fact.

At page 91 of the record there is a second Notice of Appeal. Please be advised that this Court cannot docket a record which contains two Notices of Appeal. If it is determined that the proper appellate court for this matter is the Court of Appeals, you will need to remove the second Notice of Appeal and send it along with your certification. It is not necessary to duplicate the record a second time.

I apologize for any inconvenience this may have caused you. If you have any questions, or if I can be of assistance to you, please do not hesitate to contact me.

NOTICE OF APPEAL

Now comes the Respondent, James Robert Jones, who files his notice of appeal and attaches as Exhibit "A" to this notice of appeal the docketing notice and application number A06D0390 granting such right to appeal which was entered on June 21, 2006.

The Clerk will please include all pleadings in the record. The Clerk will please omit nothing from the record on appeal. A transcript of the evidence and proceedings will not be filed for inclusion in the record on appeal.

This Court rather than the Court of Appeals has jurisdiction of this case on appeal as the Georgia Supreme Court has granted the discretionary appeal in this case and the Georgia Supreme Court has jurisdiction in all divorce and alimony cases pursuant to Ga. Const. Art. VI, §6, ¶3. (see Exhibit A)

The Respondent appeals from the Order of the Superior Court of Dade County which denied the Petitioner's motion for new trial dated June 1, 2006, and attached hereto Exhibit "B."

GUIDE TO TRANSMITTING RECORDS TO THE COURT OF APPEALS FOR TRIAL COURT CLERKS

The Clerk's Office of the Court of Appeals of Georgia would appreciate the assistance of the trial court clerks in preparing records for docketing in our Court. Following these guidelines will ensure that the records and transcripts you transmit to the Court of Appeals will be properly docketed on a timely basis. We hope this information will help us avoid returning records and transcripts to your offices and prevent you from having to do unnecessary tasks. If you have any questions, at any time, feel free to call Sheila Collins at (404) 657-8353. She will be happy to assist you.

PREPARING THE RECORD FOR TRANSMISSION

1. Create an Index with page numbers. As well as listing all documents, it is very helpful if you place the date of the order or motion next to all order and motion titles.
2. The Notice of Appeal should be on 8 ½ x 11 inch paper, signed by the attorney or pro se party and include their name (typed or printed legibly) and address. Attorneys bar numbers should be placed below their names or within the address. Make sure that the Notice of Appeal has a legible stamped filed date and has a proper Certificate of Service showing the full name and mailing address of the opposing counsel. We cannot accept a general rubber stamp as a proper Certificate of Service.

The Notice of Appeal when prepared by the attorney or pro se party should state to which court they are appealing, the Court of Appeals or the Supreme Court; the order(s) they are appealing from and any documents which they wish to be included in the record. A clear statement that transcripts **ARE** or **ARE NOT** to be transmitted must be included.

3. If there are any pro se parties, either appellant or appellees, the full name and address of the pro se parties should be on the Notice of Appeal and/or the Certificate of Service.
4. In addition to the Notice of Appeal, all orders, motions and sentences **MUST** have a legible stamped filed date.
5. The record **MUST** include the order or orders being appealed. Civil cases must include the complaint and answer. Criminal cases **MUST** include the charge and sentence. If a Motion for New Trial was filed, that motion and the order disposing of the Motion for New Trial must be included in the record.
6. The judge's signature on all documents must be legible. If the signature is difficult to read, please print or type the name below the signature or put a sticky note with the judge's name.
7. Again, make sure the stamped filed date is legible on all documents.

Dear Mr. Johnson:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because the Notice of Appeal contains no Certificate of Service. Without a Certificate of Service, we are unable to send out the appropriate Docketing Notices. Also, the Notice of Appeal indicates that the plaintiff is appealing with attorney being John P. Harrington. However, it appears from the record that Mr. Harrington represents the defendant. When the appellant files an amended Notice of Appeal to include a Certificate of Service to opposing counsel on the Notice of Appeal and to correctly identify counsel for the parties, please return the record to this office for docketing.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

RE: Your Case No. 2004 SUR32RU
Antonio J. Sellers v. The State

Dear Ms. Crowe:

Enclosed please find the record in the above appeal which was forwarded from your office to the Supreme Court of Georgia. As you can see by the enclosed order of the Supreme Court of Georgia dated September 18, 2006, the Supreme Court has determined the Court of Appeals has appellate jurisdiction over the above appeal.

Please be advised that we are unable to docket this appeal because the Notice of Appeal does not contain an order denying the Motion for New Trial. When the trial court enters an order denying the Motion for New Trial, please attach a stamped filed copy of that order to the record and return the record to this office for docketing.

If the trial court grants the Motion for New Trial, it may obviate the need for an appeal. Until such time as there is an order denying the Motion for New Trial entered, this appeal is premature in this Court.

If you have any questions or if I can be of assistance to you, please do not hesitate to contact me. I apologize for any inconvenience this may have caused you.

Dear Ms. Norris:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because the Certificate of Service on the second amended Notice of Appeal does not include the complete name and mailing address of opposing counsel. Without the complete name and mailing address of opposing counsel on the Certificate of Service, we are unable to docket the appeal since we do not know to whom to send the Docket Notice.

When the appellant files another amended Notice of Appeal to reflect the complete name and mailing address of opposing party, please forward same to this office for docketing. I apologize for any inconvenience this may have caused you.

Dear Ms. Smith:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because while the Notice of Appeal indicates a transcript of evidence will be filed for inclusion with the record on appeal, no transcript accompanied the record.

When the court reporter files its certified transcript with your office, please attach your certification and return the record along with the transcript to this office for docketing. If there is, in fact, no transcript, when the appellant files an amended Notice of Appeal to reflect that fact, please return the record to this office for docketing.

When the appellant files an amended Notice of Appeal, please make sure that the Notice of Appeal has a Certificate of Service showing the complete name and mailing address of opposing counsel. If we do not have that Certificate of Service showing the complete name and mailing address of opposing counsel, we are unable to docket the appeal because we do not know to whom to send the Docketing Notice.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

Dear Ms. Porter:

Enclosed please find the record for the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because it does not contain a Notice of Appeal directed to the Court of Appeals of Georgia. In fact, it seems to be an appeal of the superior court's denial of an appeal from the State Board of Worker's Compensation. I believe that matter would be more appropriately filed as a Discretionary Application directly with the Court of Appeals pursuant to OCGA §5-6-35.

At any rate, I am returning your documents to you. I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

Mr. Mark Harper
State Court Clerk of Fulton County
TG800 Justice Center Tower
185 Central Avenue, S.W.
Atlanta, GA 30303

Dear Mr. Harper,

This letter is intended to be a follow-up to the discussion held on November 3, 2006 regarding the submission of appeal records from the Fulton County Courts to the Georgia Court of Appeals and Supreme Court. As we discussed, the implementation of the e-filing systems in the Superior and State Courts of Fulton County has resulted in a few problems for the Clerk's Office of the Court of Appeals and Supreme Court.

We discussed, as you will recall, for the Court of Appeals there are two main problems: (1) The Certificate of Service accompanying the Notice of Appeal and (2) The Trial Judge's Signature on the Order which is being appealed.

(1) The Certificate of Service received from your Court sometimes merely indicates that the opposing party or counsel has been served and may only have the e-mail addresses of the parties and even sometimes does not even have the names of the opposing parties. At this time, our docketing notices are sent by U.S. Postal Mail: and, therefore, we need the names, mailing addresses and bar numbers of all parties. Without these addresses, the parties can not be alerted to the docketing of the Notice of Appeal in this Court.

(2) The orders we receive from your Court contain a s/_____ with the judge's name and title typed below it. In some cases, we have not received even this, but just a order with the word "grant" or "deny" printed on the right side of the document. Our rules do not provide for receiving conformed signatures. Without a real signature, we do not have a way of checking the validity of the order.

I believe, the remedies agreed to by our Court staff, the Supreme Court staff, Ms. McKenzie of the Superior Court and you are:

- (1) You will provide us the mailing addresses and bar numbers of all the parties with the Certificate of Service. You will request the attorneys to include these addresses on their Certificate of Service or you will provide them to us from your database.
- (2) You indicated that you are working on an application which will produce an actual facsimile of

the handwritten signature of the judge. Until that is implemented, you indicated that you would make sure that each order being sent to us contains at a minimum the document transaction number of the order and the s/ _____ signature by its inclusion either at the end of the order or on the cover to the order. You also offered to grant specific persons on the appellate court staff access to your database to check the validity of the order by using the transaction number to retrieve the order.

It is our request that you permit access to your database for this purpose to the following Court of Appeals' staff:

Central Staff

Rachel Derrico	DerricoR@gaappeals.us
Katherine Durant	DURANTK@gaappeals.us
Cliff Head	HEADC@gaappeals.us
Janice Ward	WardJ@gaappeals.us
Debbie Wellborn	WELLBORD@gaappeals.us
Chuck Williams	WILLIAMC@gaappeals.us

Clerk's Office

Keri Avera	averak@gaappeals.us
Patty Bender	BenderP@gaappeals.us
Holly Sparrow	Sparrowh@gaappeals.us

This access should be needed for only a temporary period since the electronic application of the handwritten signature of the judge to the order (which you indicate is in the works) would eliminate our problems. Further, since the Supreme Court of Georgia has rule-making authority over all the trial courts, that Court may choose to require a specific procedure for all trial courts using e-filing procedures which could settle these issues.

Please let me know if you agree with this summary of our agreements and the access for the above staff to your database for purpose of checking the validity of the orders we receive from you on appeal. I look forward to your reply.

Dear Ms. Smith:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because the record does not contain an appealable order. Also, there is no Certificate of Service showing the complete name and mailing address of opposing counsel. Without a Certificate of Service, we are unable to send out the appropriate Docketing Notices.

The record as submitted is incomplete. There is nothing in the record other than a Notice of Appeal.

When the appellant files an amended Notice of Appeal which contains the complete name and mailing address on the Certificate of Service and when the record contains a stamped filed copy of the order being appealed and so much of the record as the appellant deems appropriate for review in this Court, please return it to this Court for docketing.

I apologize for any inconvenience this may have caused you.

The within appeal to the Georgia Court of Appeals exceeds the deadline of the filing date of the Notice of Appeal for the following reason:

The delay is not due to any misconduct on the part of any parties, but is partially due to the heavy work-load in the office of the Clerk of Superior Court.

RE: Your Case Number: 06A51032-7
Laverne Garrison v. Washington Mutual Bank FA

Dear Ms. O'Quinn:

Enclosed please find the record in the above appeal which was forwarded from your office to ours. Please be advised that we are unable to docket this appeal because there is no Certificate of Service attached to the Notice of Appeal. Without a Certificate of Service, we do not know to whom to send the Docketing Notice. Also, the Notice of Appeal is not stamped filed. If the Notice of Appeal is not stamped filed, the Court does not know if it has been timely filed. Finally, the Notice of Appeal indicates that the appeal is directed to the Supreme Court of Georgia, not the Court of Appeals.

If the appellant intends to appeal to the Court of Appeals of Georgia, when the appellant files an amended Notice of Appeal to include the complete name and mailing address of opposing counsel and the Certificate of Service; includes a stamped filed copy of the Notice of Appeal and amends the Notice of Appeal to indicate the appeal to the Court of Appeals of Georgia, rather than the Supreme Court, please return the record to this Court for docketing.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

Dear Mrs. Fiveash:

I am in receipt of the record in the above appeal which was forwarded from your office to our office. Please be advised that we are unable to docket this appeal because the Notice of Appeal does not contain a Certificate of Service showing the complete name and mailing address of the party to be served. We will also need the complete names and mailing addresses of the appellants. Without that information, we are unable to send out the appropriate Docketing Notices.

The Notice of Appeal is insufficient in that it does not properly identify the order or judgment being appealed. Also, no appealable order is found in the record. Without a stamped filed copy of the order or judgment which is being appealed, we are unable to docket the appeal.

I apologize for any inconvenience this may have caused you. If you have any questions or if I can be of assistance to you, please do not hesitate to contact me.

Dear Ms. Reddick:

Enclosed please find the record in the above appeal which was forwarded from your office to the Court of Appeals. Please be advised that we are unable to docket the appeal because the notice of appeal does not contain a certificate of service. Without a certificate of service showing the complete name and mailing address of opposing counsel, we are unable to docket the appeal since we cannot mail out docketing notices.

Please note, the notice of appeal does not state which order is being appealed. Since the notice of appeal is incomplete in this manner, we would also be unable to docket the appeal.

Finally, your certification is with your Superior Court seal. I believe it would be more appropriate for the certification to be with the State Court seal.

I apologize for any inconvenience this may have caused you. If you have any questions, please feel free to contact me.
