RE: Municipal Court, City of Atlanta, State of Georgia
Case No. 1841632

Dear Ms. Haywood:

I am in receipt of the document submitted titled, "Second Notice/Application for Discretionary Interlocutory Appeal". I am not sure what you are trying to file with this document. Please be advised that the Notice of Appeal is filed with the clerk of the trial court, not the Court of Appeals of Georgia.

If you are attempting to file an Interlocutory Application, it must be accompanied by a Certificate of Immediate Review. Without a Certificate of Immediate Review, the Court cannot consider the Interlocutory Application.

In either an Interlocutory Application or a Discretionary Application, the Court must have a stamped filed copy of the order you are appealing. Without a stamped filed copy of the order you are appealing, the Court does not know if the application has been timely filed, nor does the Court know what you are actually appealing.

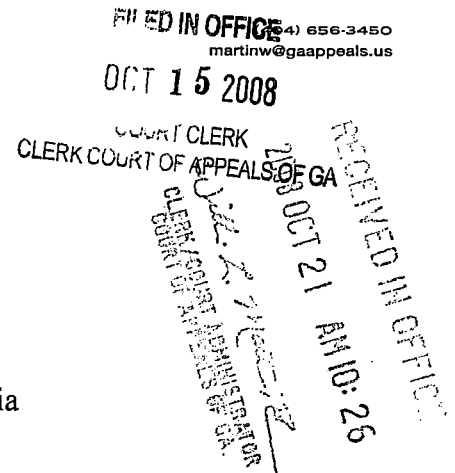

If you are trying to appeal Constitutional issues, that appeal should be directed to the Supreme Court of Georgia, not the Court of Appeals. I am returning your documents to you in case you need them for future proceedings.

RE: Municipal Court, City of Atlanta, State of Georgia
Case No. 1841632

Dear Ms. Haywood:

I am in receipt of the document submitted titled, "Second Notice/Application for Discretionary Interlocutory Appeal". I am not sure what you are trying to file with this document. Please be advised that the Notice of Appeal is filed with the clerk of the trial court, not the Court of Appeals of Georgia.

If you are attempting to file an Interlocutory Application, it must be accompanied by a Certificate of Immediate Review. Without a Certificate of Immediate Review, the Court cannot consider the Interlocutory Application.

In either an Interlocutory Application or a Discretionary Application, the Court must have a stamped filed copy of the order you are appealing. Without a stamped filed copy of the order you are appealing, the Court does not know if the application has been timely filed, nor does the Court know what you are actually appealing.

If you are trying to appeal Constitutional issues, that appeal should be directed to the Supreme Court of Georgia, not the Court of Appeals. I am returning your documents to you in case you need them for future proceedings.

Sincerely,

William L. Martin, III
